As Temperatures Rise, So Do Passenger Numbers at Orlando Sanford International Airport

Sanford, Fla., August 30, 2001 – Total passenger traffic at Orlando Sanford International Airport (SFB) for July 2001 was up ##% over July 2000. This marks the 15th straight month of passenger increases over the same month the previous year. The Airport saw 171,503 passengers through its terminals in June, consisting of 142,046 international travelers and 29,457 domestic. The Airport processed ### tons of cargo during July. Year-to-date total operations are up by ##% over last year.

Year-to-date passenger numbers have continued to surpass the numbers for 2000. A total of 558,711 international passengers and 177,099 domestic passengers have utilized Orlando Sanford in 2001, a respective #% and ##% increase over last year. With more than 735,000 passengers so far in 2001, an increase of ##% over 2000, the airport is on pace for a record 1.25 million passengers.

Orlando Sanford International Airport is located near the Orlando attractions and is also very convenient to Daytona Beach. Adjacent to the airport are the business communities of Lake Mary and Heathrow, part of Florida's "High Tech Corridor." Airlines and their passengers enjoy free parking, new domestic terminal facilities, short walking distances, and low operating costs.

For more information about OSIA, visit the airport's website at www.orlandosanfordairport.com or their terminal management company, TBI Airport Management, Inc., at www.osi-airport.com.
