Orlando Sanford Announces February Traffic Figures February Total Traffic Down 2%; Domestic Down 29%; Int'l Up 48%

Sanford, FL, April 5, 2005 – Total passenger traffic at Orlando Sanford International Airport (SFB) for February 2005 was 86,548, down 2% compared to February 2004. The traffic mix was 41,792 domestic travelers, down 29%; and 44,756 international, up 48%. Specifically, there were 27,068 United Kingdom passengers, up 16% from February 2004. Cargo volume was down 6%, processing 368 tons during the month; while aircraft operations were up 7% to 27,909.

Airports Council International (ACI) has ranked SFB as the fastest growing North American airport for the first nine months of 2004. Additionally, for airports with one million or more passengers, SFB is the 5th fastest growing airport in the world. Orlando Sanford International Airport offers visitors and Central Floridians alike, the “Best of Both Worlds,” located midway between Orlando’s World Class attractions and the World’s Most Famous Beach - Daytona Beach, both are only 45 minutes away. Airlines and their passengers enjoy a stress-free environment, convenient parking, new terminal facilities, short walking distances, and attractive pricing.
