O Canada!—Jetsgo to Start Flights to Orlando Sanford from Toronto Airport's First Canadian Customer

Sanford, FL, July 24, 2003 - Orlando Sanford International Airport (SFB) announced today that on October 4, 2003 the Canadian discount airline, Jetsgo, will begin operating non-stop, weekly service between Toronto's Lester B. Pearson International Airport (YYZ) and Orlando Sanford. Jetsgo is the first Canadian airline to announce scheduled service to Orlando Sanford.

"Orlando represents our second destination in the Sunshine State, and we are delighted to announce this service," said Michel Leblanc, president of Jetsgo. "We have high expectations for the future and are currently reviewing the potential to add another flight to Orlando during the peak winter period."

Flights will operate year-round on Saturdays using 160-seat Boeing MD-83 aircraft. Flights depart Toronto at 08:00 AM and arrive at Orlando Sanford at 10:35 AM. Return service from Orlando Sanford to Toronto departs at 11:35 AM and arrives at 14:10 PM.

Headquartered in Montreal with 350 employees, Jetsgo began offering discount air service in June of 2002. It now flies to 17 Canadian and five U.S. destinations.
