**Orlando Sanford: November Passenger Traffic Up by 2.5%  
Year-to-Date Traffic Remains Up by 3%**

Sanford, FL, December 30, 2002 – Passenger traffic at Orlando Sanford International Airport (SFB) for November was up 2.5% compared to November 2001. The airport saw 65,667 passengers pass through its terminals during the month. The traffic mix for November was 24,633 domestic travelers, up 19%; 40,722 international, up 1%; and 312 transit passengers, down 90%. Cargo volume was down 10%, processing 609 tons during the month. Aircraft operations were down 5.6% to 31,006 from November 2001.

Year-to-date passenger numbers continue to surpass those for 2001, showing a 3% increase. Domestic traffic is up 50% for the year, while International traffic is down 4.6%.

For the second year in a row, the Airports Council International (ACI) ranked SFB as the fastest growing North American airport in 2001, among airports with one million or more annual passengers. Orlando Sanford International Airport is located near the Orlando attractions and is also convenient to Daytona Beach. Adjacent to the airport are the business communities of Lake Mary and Heathrow, part of Florida's "High Tech Corridor." Airlines and their passengers enjoy convenient parking, new terminal facilities, short walking distances, and low operating costs.
