For the second year in a row, the Airports Council International (ACI) ranked SFB as the fastest growing North American airport in 2001, among airports with one million or more annual passengers. Orlando Sanford International Airport is located near the Orlando attractions and is also convenient to Daytona Beach. Adjacent to the airport are the business communities of Lake Mary and Heathrow, part of Florida's "High Tech Corridor." Airlines and their passengers enjoy convenient parking, new terminal facilities, short walking distances, and low operating costs.
